

The 129th Scientific Meeting of the Japan Society of Medical Physics (JSMP)

General Information

Shigekazu Fukuda Ph.D.

President of Japan Society of Medical Physics

Tomonori Isobe Ph.D.

President of the 129th JSMP Scientific Meeting

Main Theme: Radiology for Everyone

Date: Thursday, April 10 – Sunday, April 13 [WEB] Monday, April 14 – Thursday, May 15; 12:00 pm (JST)

Venue: PACIFICO Yokohama

1-1-1 Minato-mirai, Nishi-ku, Yokohama, 220-0012

TEL: +81-45-221-2155 (General Info)

Instructions

Registration Desk: Exhibition Hall A

PC Preview Center: Exhibition Hall A

Cloak: Exhibition Hall A, Conference Center 1F

Lecture Hall: Main Hall, National Convention Hall, Conference Center room number 315, 418, 419, 502

Oral Session Room: Conference Center room number 418, 419, 502 (ICRPT)

Product Exhibition: Exhibition Hall A-D

Note:

Registration to the 129th Scientific Meeting of the Japan Society of Medical Physics allows you to participate in other congresses as listed below;

- The 84th Annual Meeting of the Japan Radiological Society (JRS),
- The 81st Annual Meeting of the Japanese Society of Radiological Technology (JSRT),

[Venue] Thursday, April 10 – Sunday, April 13 [WEB] Monday, April 14 – Thursday, May 15; 12:00 pm (JST)

- The International Technical Exhibition of Medical Imaging 2025

[Venue] Friday, April 11 – Sunday, April 13 [WEB] Monday, April 14 – Thursday, May 15; 12:00 pm (JST)

Information and Programs

1. Registration

Registration period

Friday, March 14 12:00 – Sunday, May 11

- 1) All registration must be done via website (online registration). For details on registration, please see the JSMP129 website. Registration is not possible at the onsite venue. Onsite participants are also requested to register online registration in advance and come to the venue.
- 2) Please be sure to pay the registration fee within 72 hours after completing the online registration. If you do not pay the registration fee by the deadline, the system will cancel your registration. A credit card is required to pay the registration fee.
- 3) The registration is valid for both onsite and web meetings.
- 4) The registration fee includes: Admission to all scientific sessions of JRS/JSRT and the exhibition hall (ITEM).
- 5) When attending the venue, please log in to the service counter specified in the completion confirmation email in advance. Print out your name card and bring it with you to the venue. The name card holder can be obtained by exchanging it for attendance confirmation at the JSMP desk in Exhibition Hall A. You are required to always wear your name tag in the venue and the exhibition area for identification and security purposes.

Opening hours for registration reception (local)

Thursday, April 10	9:30 – 18:00
Friday, April 11	7:15 – 18:00
Saturday, April 12	7:15 – 18:00
Sunday, April 13	7:15 – 15:00

Location: Exhibition Hall A

- 6) For web participation, you can log in using the email address and password you entered for online registration.
- 7) Certificate of Attendance will be issued to all registered participants. It will be a certification of earning three credits for attending a Japanese academic conference in accordance with the guidelines of the JBMP Qualification for initial certification and maintenance of certification.
- 8) The Certificate of Attendance can be downloaded after finished registration for participation and registration fee receipt can be downloaded from April 14th (Monday) from the website (URL included in the registration confirmation email). Please note that even if you participate in onsite meeting, they will not be issued at the venue.

1.1 JSMP Member and student member under regular employment

- 1) Please register online. Registration fee is JPY15,000.
- 2) Please print your name card in advance and bring it with you when attending the venue.
- 3) Certificate of Attendance and receipt will be issued online.
- 4) The PDF data of the abstract can be viewed and downloaded from the URL in the email sent after registration completion from April 1 (Tuesday) to May 15 (Thursday).

1.2 Student (Member and Non-Member, excluding regular employees)

- 1) Registration fee is JPY1,000. (Students must submit a scan data of valid student ID on registration.)
- 2) Please print your name card in advance and bring it with you when attending the venue.
- 3) Certificate of Attendance and receipt will be issued online.
- 4) The PDF data of the abstract can be viewed and downloaded from the URL in the email sent after registration completion from April 1 (Tuesday) to May 15 (Thursday).

1.3 Non-JSMP Member

- 1) Registration fee is JPY30,000.
- 2) Please print your name card in advance and bring it with you when attending the venue.
- 3) Certificate of Attendance and receipt will be issued online.
- 4) The price of the abstract is JPY2,100, if you would like to download the extended abstract, please purchase it separately from the JRC office (jsmp-info@j-rc.org). * Data sales only.

2. Educational Lectures

Note: those who need the Certificate of Attendance for Educational Lectures are required to purchase for the Educational Lecture material option on online registration.

- 1) Please select a purchase option for Educational Lecture material (PDF data) in online registration. The purchase period is until noon on May 11 (Sunday). The data can be viewed and downloaded only during the conference period.
- 2) To issue the Certificate of Attendance of the Educational Lecture, you need to apply online after viewing the lecture. The viewing code displayed during the lecture is required for online application.
- 3) The Certificate of Attendance will be received by e-mail to applicant after the conference period.
The certificate will be a certification of earning three credits for attending a Japanese academic conference in accordance with the guidelines of the JBMP Qualification for initial certification and maintenance of certification.
- 4) A Certificate of Attendance is applicable to and will be issued for the 5 lectures listed below;
Educational Lecture 1 「Exploring the world unlocked by 3D dosimetry in clinical practice: Insights revealed by three dimensions」 Yuta Takahashi
Educational Lecture 2 「Status and future perspective of cancer genomic medicine」 Eishi Baba
Educational Lecture 3 「Child-friendly medical care, from the Child Life Specialists' perspective」
Miwa Sasaki
Educational Lecture 4 「Physics and Machine Learning」 Akihiro Haga
Educational Lecture 5 「Recent Trends and Future Prospects of Accelerator-Based Boron Neutron Capture Therapy」 Hiroki Tanaka

3. Instructions for Speakers at Oral Sessions

- 1) The presentation data must be registered in advance.
- 2) In principle, the registered presentation data cannot be replaced or modified.
- 3) If you have any problems with your presentation data, please ask the PC Preview Center.
- 4) Presentations by bringing your own PC will not be accepted.
- 5) Please follow the time schedule for the presentation as shown below;
Each presentation is 10 minutes long consisting of 7 minutes oral presentation and 3 minutes discussion including the time needed to change to the next presenter.

4. Instructions for Moderators at Oral Sessions

- 1) Chairpersons are requested to check in at the Registration Desk at the session venue at least 10 minutes prior to the session start time.
- 2) Each presentation is 10 minutes long consisting of 7 minutes oral presentation and 3 minutes discussion including the time needed to change to the next presenter.
- 3) A colored light box is placed in front of the chairperson and presenter to indicate the time remaining for the presentation. The yellow light indicates that the presenter has only one minute remaining in his/her presentation time. The red light indicates the end of the presenter's presentation time.
- 4) Sessions may proceed at the discretion of the chairperson, but try to adhere strictly to the time schedule.

5. Instructions for Cyber Poster (CyPos) Viewing

5.1 Opening Hours

Monday, April 7, 12:00 – Thursday, May 15, 12:00 (JST)

5.2 Instructions for Viewing, Wireless LAN and Wi-Fi

- 1) You must first complete online registration.
- 2) All presentation data can be viewed from any PC, tablet, or smartphone with an Internet connection.
- 3) Presentation data on CyPos can be searched by presenter name, affiliation, or keyword.
- 4) A bookmark function is available. Please use this function if you wish to view the presentation again at a later date.

6. Awards

6.1 ICRPT Awards

Awards will be given to researchers who made an outstanding presentation under three categories.

Brilliant Award, Outstanding Presentation Award, Certificate of Merit Award

6.2 President's Award

President's awards will be given to selected papers of high quality presented at JSMP session based on the abstract and CyPos slides.

6.3 Student Incentive Awards

This award will be given to student presenter with outstanding presentation. This award will be judged based on the abstract and CyPos slides.

7. Cloakroom

Located in Exhibition Hall A, and on the 1st floor of Conference Center.

8. Bulletin Board/Message Board

Located on the 2nd floor of Conference Center. Please feel free to use the message board to notify and contact participants.

9. Wireless Internet Connection (Wi-Fi)

Wireless Internet Connection (Wi-Fi) is available in all areas of Pacifico Yokohama including the Annex Hall, with the exception of the lecture halls. Wi-Fi SSID: FREE-PACIFICO (No password required).

10. Concerning Smoking

Smoking is prohibited at the venue except in the designated smoking areas.

11. Photography and Recording in the Venue

Photography of presentation slides and recording of presentations in the presentation venue are prohibited.

*Please note that authorized photographers will be wearing designated armbands.

For any other photography, please ensure that you respect the privacy of other participants. When photographing speakers or specific individuals, we kindly ask that you obtain their consent in advance.

Before posting on social media, please be sure to read the “Request Regarding SNS” available on the event’s official website.

For media coverage, including magazines and reporters, please apply at the PRESS reception located in Exhibition Hall A.

12. Attention for watching videos and viewing slides during web conferencing

Unauthorized video recording, recording, or photography (including screenshots) of lecture video or slides (slides, images, videos, etc.) displayed on the screen is prohibited. In particular, never publish them on the Web (including on social networking services).

13. Day-care Facility for Children

A day-care facility is available during the congress. A reservation will be required to use this service. Please check the 129th JSMP congress website (“Child Room”) for further information.

14. For wheelchair-accessible participants

Registered participants who use wheelchairs can take wheelchair seating available near the entrance of the session room. The attendants will assist you to the seats.

15. Introduction of the comprehensive conference app

Programs and abstract searches can be performed on smartphones and tablets running iOS or Android. Please try this app when you visit the venue.

You can download the app by scanning the QR code below.

iOS

Android

*If you already have the app installed and are installing it from the attached QR code, please uninstall the old version before reinstalling.

To access the abstract text for the first time, a password is required.

The password for viewing abstracts is: jrc2025yokohama

Abstracts will be available on the app in early April.

16. Reception for all participants

Reception for all participants will be held as follows.

Time & Date: Friday, April 11, 18:45–20:00

Venue: B2F, Queen's Grand Ballroom, Yokohama Bay Hotel Tokyu

Reception fee is included in registration fee. You will be required to wear your meeting name tag to attend the Reception.

17. The participants from IOMP (International Organization for Medical Physics) and AFOMP (Asia-Oceania Federation of Organizations for Medical Physics)

We would like to specially note that we are promoting the participation of colleagues who are members of IOMP and AFOMP in the oral presentations. We hope this meeting will be a continuing opportunity for all participants to deepen cooperative scientific relationships with colleagues in the same fields. We believe this opportunity will serve to further boost development in both research and clinical aspects of medical physics beyond country.

18. Acknowledgement

The 129th scientific meeting of JSMP is endorsed by IOMP and AFOMP.
